

Background information

Fish Insurance

Fish Insurance are Disabled Insurance Specialists, one of the UK's biggest disability insurance providers.

Since 1975 Fish Insurance has provided specialist protection for the disabled, elderly and people who face mobility issues, by providing specially designed, effective and affordable cover. Fish Insurance has grown to serve over 75,000 policyholders and become one of the UK's biggest disability and independent living insurance providers.

Fish Insurance extensive portfolio, ranges from cover for mobility scooters and in-home products such as stair lifts and hoists, to carefully crafted motor, travel and home insurance policies featuring disability specific benefits such as protection for vital mobility aids, adaptations, medicines and personal assistants/carers.

Direct Payment Peer Support Group

North Yorkshire Centre for Independent Living (NYcil) Direct Payment Peer Support Group, funded by North Yorkshire County Council Stronger Communities, provides support to individuals who employ personal assistants or carers using Direct Payments, a Personal Health Budget or using personal funds to purchase care.

The meetings provide an opportunity for people to share personal experiences, gain information, discuss concerns, and resolve issues together in a safe and friendly environment.

The group meets monthly, in fully accessible venues, including occasional guest speakers and refreshments.
