Our Commitment to a Quality Service

and

How to give Feedback or make a Complaint

Our Aims:

Our aim is to provide carers with a professional service that meets their individual needs.

We seek to provide a quality service to all that ask for our support regardless of individual difference. We are committed to equal access to opportunities and will not tolerate discrimination on any grounds.

Our service is available to carers living in all parts of Scarborough, Whitby and Ryedale and is free and confidential. We aim to help carers deal with difficulties and lead more fulfilling lives. We respect each individual's cultural, religious and lifestyle needs.

Confidentiality:

All our staff and volunteers sign up to our confidentiality policy which clearly lays out our commitment to issues around confidentiality.

Occasionally there may be times when we need to speak to another organisation without your consent. This would happen only in situations where someone appears to be at risk of harm and we would always try to discuss this with you.

For further details of any of our policies please contact us.

Over the years our high standard of service has been recognised and awarded quality marks. We have been awarded the PQASSO, a quality mark recognised throughout the voluntary sector.

Feedback:

- We welcome and value your views and feedback as it helps us improve our service. So do let us know if you have any comments, compliments or suggestions.

Complaint:

- If you feel we haven't provided a quality service speak to the member of staff involved, as most things can be resolved that way.
- If you wish to make a formal complaint please do so by contacting the Service Manager 01723 850155
- For further details on what to expect when making a complaint, please request a copy of our Feedback and Complaints Policy
