Disclaimer/Guidelines

Parents/Guardians are responsible for the nature of the content in their child's letters. We expect that participants will converse with respect at all times, and will not submit false, misleading, or inaccurate information pertaining to their identity. Parents/Guardians can be involved in the letter writing process and should set clear content expectations with their child before beginning the program. We suggest parents of matched participants share an introductory letter as well. Should any participants decide to exchange social media links as a result of the program, this should be done with parental consent and the organisations accept no liability.
